

## User Personas and User Stories:

### Owner:

- As the owner of the site, I would like to be able to maintain and improve the website at times so that it's accessible to everyone.
- As the owner of the site, I would like to have access to the source code of the website and make it accessible to people so that other people can look at the source code but not be able to modify it in any way.

### Cooks and Chefs:

- As a cook or a chef, I would like to be able to see what the recipes will look like at the end of the cooking process so that I can have an accurate representation of them.
- As a cook or a chef, I would like to have easy access to the recipes so that I can make them as soon as possible.
- As a cook or a chef, I would like to be able to check off ingredients and the steps to make the recipes so that everything can be done properly, is maintained, and nothing is wasted.
